

Summertime = hot dogs, hamburgers, barbeque and more! But to the 65,000+ local people served by our pantries in Carol Stream, Glendale Heights, Wayne, Warrenville and West Chicago in the last year, simple items like ketchup, mustard, mayonnaise and more are a luxury their family cannot afford (and these items are rarely donated to our pantries)!

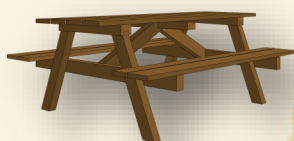

You can help! Turn your next church or office picnic, family or neighborhood barbeque, into a 'picnic with a purpose'! Ask your guests to bring an extra item to donate to our pantries, to make summer a bit easier for our neighbors in need!

MOST NEEDED ITEMS*:

- Ketchup
- Mustard
- Mayonnaise
- Barbeque Sauce
- Pickle Relish
- Salt
- Pepper
