

## Fundraising Tips

There are lots of ways to meet your fundraising goals – here are some of our favorite suggestions!

1. **PERSONLIZE YOUR FUNDRAISING PAGE**
2. **SEND AN EMAIL** to everyone you know asking for help.
  - Write a personal message that talks about why feeding your hungry neighbors is important to you. Some 'inspiration' messages to copy, modify or use for ideas:
    - i. "When children get hungry, it's hard for them to concentrate on school. I'm raising money for Neighborhood Food Pantries because it's important that the 32,000+ kids in DuPage county are well fed to do well in school".
    - ii. "Over 60,000 people in DuPage county are at risk of being Hungry EVERY DAY. Help me raise money to feed our hungry neighbors".
    - iii. "People think of DuPage county as being very wealthy, but I was shocked to learn that portions of the county have poverty rates as high as 31.5%. Please donate to help me raise money for the more than 60,000 DuPage residents who don't know where their next meal is coming from!"
  - Include a link to your fundraising page.
  - Remind them to find out if their company matches donations !!!
3. **SHARE THE IMPACT** of their donation:
  - i. \$5 will feed a family of 4 for a whole week
  - ii. \$20 feeds a family for a month
  - iii. \$50 provides more than 1,000 lbs of food for our neighbors in need
  - iv. \$100 provides 2,600 meals for local families
4. **SHARE YOUR PAGE** on Social Media
5. **ASK FOR DONATIONS AT WORK:**
  - See if your company will host a 'dress down' day (employees can wear jeans, shorts, or flip-flops in exchange for a donation)
  - Put up a flyer & collection bin by your desk, at the cashier checkout or reception station or in your lunchroom / cafeteria
6. **ASK LOCAL BUSINESSES TO COLLECTION DONATIONS**
7. **HOLD A RESTAURANT FUNDRAISER** at your favorite watering hole (ask them to donate a portion of sales on a certain day)
8. **ASK YOUR FRIENDS** who do 'home party sales' to do a fundraiser and donate a portion to your effort:
  - a. Invite several friends to your home together for a "Girl's Night In" event
  - b. Make it easy – have an 'online party'
